Voter Identification

As of April 2020, 34 states enforced (or were scheduled to begin enforcing) voter identification requirements.

A total of 18 states required voters to present photo identification; the remainder accepted other forms of ID.

Commonly accepted forms of ID include driver's licenses, state-issued ID cards, and military ID. In most states you may request an ID card for free.

VOTE

KNOW YOUR VOTING RIGHTS

If the polls close while you're in line, stay in line, you have the right to vote

If you make a mistake on your ballot, ask for a new one

If the machines are down at your polling place, ask for a paper ballot

If a polling official says you are not registered, eligible, or you are otherwise turned away ask for a provisional ballot

If you cannot read English you may bring a person of your choice to help you. Section 203 requires certain jurisdictions to provide bilingual voting materials in communities with language minorities and limited-English proficient residents

If you don't know how to vote you may ask a poll worker for a demonstration. Instructions will also be posted at the poll site

If you run into any problems or have questions on Election Day, call the Election Protection Hotline:
