#### Justice for Breonna Taylor:

Breonna Taylor was an award-winning EMT and model citizen. She loved her family and community. She worked at two hospitals as an essential worker during the pandemic. A division of the Louisville Police Department performed an illegal, unannounced drug raid on her home. Not a single officer announced themselves before ramming down her door and firing 22 shots, shooting Breonna 8 times, killing her. Not only were the police at the WRONG HOUSE, but the man they were looking for had already been arrested earlier that day.

#### Louisville Community Bail Fund:

The Louisville Community Bail Fund exists to not only bail out folks, but provide post-release support to get them from jail, fed, and to a situation of safety. LCBF also maintains a focus on preventative measures for those targeted by law enforcement and threatened with incarceration.

#### Massachusetts Bail Fund:

The Massachusetts Bail Fund pays up to \$2,000 bail so that low-income people can stay free while they work towards resolving their case, allowing individuals, families, and communities to stay productive, together, and stable.

#### Minnesota Freedom Fund:

The Freedom Fund remains committed to #FreeThemAll. We say again: it is wrong to cage people, to jail those who are not a risk to themselves or their communities, to imprison those who cannot afford to pay the ransom of bail, and to hold in detention those whose “crime” is being born in a different part of the world.

#### NAACP Legal Defense Fund:

While we are living in a moment unlike any we have seen before, LDF will continue to work to protect the most vulnerable in our society. During this public health emergency, the fight to defend our civil and human rights has never been more critical. Donate today to help us win landmark legal battles, protect voters across the nation, and advance the cause of racial justice, equality, and an inclusive society.

#### National Urban League:

To help African-Americans and others in underserved communities achieve their highest true social parity, economic self-reliance, power, and civil rights. The League promotes economic empowerment through education and job training, housing and community development, workforce development, entrepreneurship, health, and quality of life.
